

Saturday Jan 26th, 2019 10am to 4pm. Join us for the Ogemaw Hills Snowmobile Club's 51st Anniversary & 7th Annual Vintage Snowmobile Ride/Show. This event is a free family focused event and everyone is welcome to join in the fun at the Ogemaw Hills Snowmobile Clubhouse located at the Corner of Fairview and Rose City Roads- north of West Branch. This location is known as the "Frank Alley Trailhead"- and is the starting point of the clubs 108 miles of beautiful trails in the Ogemaw Hills. We will be having 2 guided rides, campfire all day, a non-judged Vintage Snowmobile Show, hot drinks in the heated clubhouse and our now famous "rake dogs" (hot dogs) and other treats. Donations are welcome and appreciated. We will also have historic videos playing and lots of family fun in Michigan's awesome Winter Wonderland. Last year we had over 125 old sleds and over 800 people shared in the festivities of our wonderful 50th celebration.

We will be drawing the winning tickets for this year's raffle sleds-- yes sleds-- 2 of them. Winner gets their choice of either of the beautiful un-restored 1974 Arctic Lynx I 295 Wankle or beautiful un-restored 1974 Arctic Cat Cheetah 440cc. Second Ticket drawn will win the other sled. Tickets will be \$5 each for 3 for \$10 and are available at event, or on club website-- [www.ohsconline.com](http://www.ohsconline.com) (need not be present to win). Direct Link to club website for raffle ticket purchases:
