

The Sault Events is hosting a Guinness World Record attempt of most snowmobiles in a parade. The parade requirement is a minimum of 2 miles, sleds must complete the full 2 mile course to be counted for the record. The last record was from February, 2015 by Whitecourt Trailblazers from Whitecourt AB, Canada with 1047 sleds. Our goal will be 1250.

The parade will be on Feb. 1st, 2018 in Sault Ste. Marie, MI. The parade will end at the I-500 track where parade participants can stay for a Food Truck competition and Beverage Tent while watching Thursdays races, The Woody's challenge.

Parade participants will get in free to the races Thursday evening only with their parade bracelet as well as will be able to park their snowmobiles for Free on Thursday evening.

Register your sled at [www.saultstemarie.com](http://www.saultstemarie.com) to be a part of this ....  
All sleds will need to be pre registered to participate.
